

2023 National Sheep Farmer of the Year Competition

NOMINATION OF CANDIDATE FOR 2023 NATIONAL SHEEP FARMER OF THE YEAR

REQUIREMENTS

- The candidate must be a leading farmer in his area and must set an example for his peers.
- The candidate's management practices and results must serve as a benchmark.
- Any farmer can be nominated as long as fellow farmers can identify with the candidate.
- The candidate must be willing to receive farmers on his farm and to present a farmers' day in cooperation with the organisations involved in the competition.

PROCEDURE

- Complete the attached nomination form.
- Keep it confidential and do not discuss this nomination with the candidate, as it may create an expectation.
- Candidate information is submitted to a panel of independent judges.
- The panel nominates three finalists whose farms they will visit in order to determine who the 2023 National Sheep Farmer of the Year will be.
- The following aspects will be considered during final adjudication: utilisation of resources, fodder flow planning, pasture management, breeding and selection standards, record-keeping, benchmarking, marketing and value addition, flock production, physical appearance of animals, infrastructure, labour management and participation in organised agriculture.
- The panel's decision is final and no reasons or comments will be made available to candidates.

The completed form must reach Ashley Grimsell by 8 September 2023 via email: Ashley.grimsell@tongaat.com

Where you are offered a choice, please tick the appropriate block or blocks with a ✓.

1. BIOGRAPHICAL INFORMATION OF SHEEP FARMER OF THE YEAR CANDIDATE

1.1 Initials and surname: _____

1.2 First name: _____

1.3 Farm's name: _____

1.4 District: _____
